Subject: BC REVIEW: FR Notice Announcing the Re-opening of the Public Comment Period for Several Neonicotinoids
Attachments: PID FRN FY20 Q3 Extension (Neonics)_(rj).docx

Importance: High

Hi Dana,

Attached you will find the FR Notice announcing the re-opening of the public comment period for several neonicotinoids. I requested a copy of an extension that was written for glyphosate from Steven Peterson, which this is roughly based on. This document has been reviewed by Ricardo.

Please let me know if you have any questions or concerns,

Best,

Matt
